

Mile High Dowzers Conference Workshop Sunday June 25th 2017

10am-5pm \$70

So You've Got Feng Shui What to do With It: Creating Sacred Space for Your Optimal Life and Living Susan Russo

Does your living space support you and your lifestyle? Would you like to enhance it or learn how to make adjustments so it does support you? Prerequisite: Basic Dowsing (using pendulum or other tool, or finger kinesiology) Required

What's in it for me?

- We will explore the many ways the space you live in and the things you use and own, or that "own" you affects your life, relationships, career, health and well being.
- How to tie Space Clearing/Blessing, Geomancy and Feng Shui together for optimal living
- Learn how to create your sacred space and change your Feng Shui using what you already have in your living space
- How to personalize it to your tastes and likes
- How to purchase new items with an eye to enhancing your sacred space and Feng Shui
- How not to do cookie cutter Feng Shui by setting out some cheap trinket "cures"
- Learn about earth energies and how to do a basic home and property blessing and clearing
