DOWSING PROGRAM

Keynote Speaker – Joey Korn

Topic: Things that Go Bump in the Night

Joey Korn is a modern-day mystic and a global leader in the world of dowsing, specializing in personal energy clearing and spiritual space clearing. He has found dowsing combined with the Blessing Process to be the most powerful spiritual tool that we each have at our disposal to heal, grow spiritually, and improve our lives. Joey integrates the ancient teachings of Kabbalah, the ancient art of dowsing, and modern-day quantum physics as he condenses many years of personal exploration into an extraordinary system of practical understanding and energy work.

Guest Speaker – Valerie Solheim

Topic: Trusting Dowsing in Your Journey

Dr. Valerie Solheim, author, bee devotee, international speaker and Jungian psychologist, has been “kept” by the bees since 2009. At that time, the honeybees informed her she would be tending their hive and drinking their wine. She was unaware of how deep and far this hive experience would take her. “It IS the touch of the Neolithic bee priest (9,000 BC) that informed my mind of the dimensions beyond that heal and awaken.” Fundamental to her UPbringing, is the ever-expanding understanding of trust. This is the journey of no return.

Light Life Tools
