Dowser and Psychic

Ginette Mataria Lucas

Finding Lost Objects

Ginette uses her Psychic and Dowsing talents to do Consulting and Technical Advising for individuals, media, and production houses. She also has an ability called Synesthesia, which only 4% of the world has accessed. Some doctors refer to it as a superhuman ability. Ginette has had 4 near death experiences, 2 of which were in the hospital where she flatlined. She recently also started talking about her odd alien and out of body experiences.

Ginette's Psychic abilities are used to find missing persons, objects, and treasure, by herself and with additional team members like Psychic Angela Ford of the StarGate Program. Ginette was featured in Smithsonian Magazine, where writer Jack Hope had her find his two missing objects accurately. Journalist Maureen Seaberg wrote about Ginette's work locating treasure hidden by Al Capone and his right-hand man Frank Nitty in Psychology Today. (Writer Maureen Seaberg, also has a book coming out in August 2023 on Synesthesia.)

Ginette is also known for her high-profile missing persons cases like the missing toddler Caylee Anthony and working with the FBI on the Chandra Levy case (a Senator's missing intern). Ginette has located over 25 missing persons in the US.

Ginette is the daughter of Louis Mataria, the famous Water and Military Dowser. They both located residential and commercial Water Wells. In the 1960's, Louis worked with the Military to teach them dowsing to locate booby traps and bombs. He and Ginette both worked with the Military, Police, CIA, FBI, DEA, and other international Governments. Her father has passed now but Ginette continues in his footsteps. She is a member of the American Society of Dowzers and is presently writing a book about some of her experiences.

Ginette looks forward to sharing with us one of the techniques she uses to locate lost things.

Channeler, Dowser, Author, and Healer

**Marilyn Harper
"Dowsing Tools for Healing"**

Marilyn will discuss how to use dowsing when doing hands on healing or self-healing. While using dowsing techniques a practitioner can narrow down the cause of pain and help realign the body.

Marilyn Harper has been bringing through messages of Higher guidance for more than 22 years, as the "Divine Link" for Adironnda & The Council of Light. By the power of

Spirit, she receives and conveys love, activations, healing, and wisdom from Higher dimensions including: Ascended Masters, Archangels, and Galactic's. After a "Walk-In" in 1993, and her spiritual awakening in 1996, she became a Reiki Master. Soon after, Marilyn realized that she was able to "see or sense" into the human body and bring messages in from other dimensions. She would leave her body at night and travel interdimensionally to another realm, doing healing work. One of those realms was the 17th Dimension where Adironnda first encountered her.

Marilyn volunteered by raising her hand, stating: "I will go anywhere, say anything, do anything, as long as You can prove to me that you are God, or Source, moving through me." That was all it took for the "Source of All That Is" to connect Marilyn with Adironnda in 1999, and soon after The Council of Light. Together, they are loving and funny and gently assist in healing the heart, the past, and in activating whatever is in the highest good to be activated for the betterment of humanity. Adironnda says they were sent from Source to help people awaken faster and prepare them for the Earth's shift into Higher dimensions. Marilyn Harper co-authored "Double Digitology: Decoding the Messages of the Universe through the Power of Numerology" with her business partner, Joeaux Robey.

Attention ASD Members

We're Getting Organized

Soon, you're going to start getting emails from us that mention the name of our new system, "**Wild Apricot.**"

This is a new, integrated system that will help organize, simplify, and enhance your experience with ASD.

Here's what you need to know.

1. When asked for your email, enter the one that received this email.
2. Use this same email when registering for events in order to get member pricing.
3. The first time you enter your email, click "forgot password," and change it to something you will remember.
4. When you go to your member profile, please update it, and make any corrections necessary.

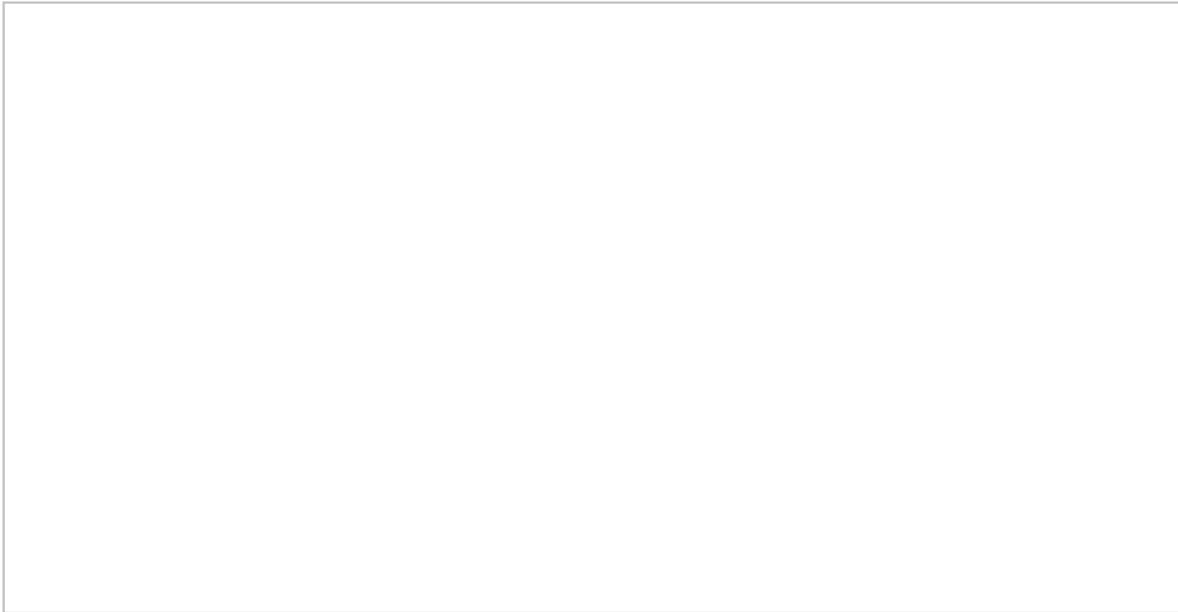

It's as simple as that. And this is just the beginning. We're looking forward to these new developments bringing the community closer together.

Best Regards,

Host: Robert Callan, ASD Midwest Regional Coordinator

Environmental Energy Dowsing harmonizes, blocks and transforms disruptive earth energies in building structures and land areas, creating a higher energy frequency environment in those locations. Environmental energy dowsing identifies Positive and Negative Vortexes and through the application of cures, can block or convert Negative

Vortexes into Positive Vortexes. Environmental dowsing also identifies Geopathic Stress Lines, Interference Lines, Hartman and Curry Lines and can neutralize or eliminate their disruptive effects. Environmental Dowsing helps raise the energy frequency in building structures and land areas promoting greater health and well-being in people's lives.

Space Clearing involves purifying and eliminating entities, energies and forcefields created by thought forms and emotional energy from land areas or building structures. Space clearing also involves helping beings from the earth or those who may have transmigrated to the earth from other dimensions and have become trapped in the earth plane. Space clearing helps assist these beings return to a realm best suited for their continued advancement. This includes carnate and discarnate entities associated with people who have made the change called death who may not have made their transition to higher realms of Light. However, the focus of this virtual chapter will not involve Spiritualism or efforts to engage in ongoing communication with any beings from other dimensions or people who have died.

ASD invites Environmental Energy Dowzers and Space Clearers interested in participating in this Focus Group to email Robert Callan at robert@dowsingdesign.com and provide him with a brief summary of your experience in Environmental Energy Dowzers and/or Space Clearing. Please include your full name, address and phone number. All interested parties will be notified of your acceptance as a member of this new focus group. If you have questions about this focus group please email or call Robert at 612/868-2887.
