Tucson Dowzers meet on Zoom to aid in relief from Fires, Drought, Heatwaves and Floods

Please consider joining us in inviting the Nature Spirits to bring rain in gentle, appropriate amounts to drought-stricken areas around the world, and to mitigate the impact of the heat waves and, now, cyclones in the Western US. It only takes about 15 minutes!

We use the same link as for our monthly meetings: <https://us02web.zoom.us/j/82722474993>

***Personal Energy Clearing & Space Clearing
with Joey's Miracle Blessing Process***

Tucson Dowzers Zoom Meeting ID: 827 2247 4993

Joey Korn has made many discoveries along the way in his dowsing journey. One of Joey's first discoveries in the dowsing world, in 1996, was what he calls the Bed Pattern, which is the Human Energy Pattern that we all have connected to us and that we imprint around our beds and in other places.

Joey considers this energy pattern to be the human soul level of the Tree of Life in the teachings of Kabbalah, which is the essence of Jewish mysticism. The Bed Pattern is still central to his space clearing sessions.

Joey has come to understand that what he calls Interference Energy is the primary and most common cause of energy problems in people's lives and in their homes, offices, etc. Interference Energy is also the primary cause of what dowzers call Geopathic Stress and the most common cause of paranormal activity.

Joey first found and learned to clear this energy from people and their homes about 15 years ago, and he has helped thousands of people in his clearing sessions, primarily by clearing or removing Interference Energy from his clients and their homes.

Learn more about Interference Energy at <https://dowers.com/about-my-work/things-that-go-bump-in-the-night-clearing-the-causes-of-paranormal-activity/>.

Joey has recently developed a new blessing process that just about anyone can use for personal energy clearing and space clearing on their own, without knowing anything about dowsing, other than what Joey explains.

In this presentation, Joey will share how he figured out how to teach others to use this "miracle" blessing process for personal energy and space clearing, and he'll share the blessing process with all who participate and request it.

He is now preparing to spread this new blessing process to millions of people around the world.

Joey Korn Bio – Joey Korn is a global leader in the world of dowsing and energy clearing. He loves teaching others how to use dowsing, combined with the blessing process, to improve their lives

Joey had a powerful mystical experience in 1974, when he was 21 years old, that put him very soundly on his spiritual Path. After that fateful night, Joey has had an unquenchable thirst to learn as much as he could about the powers of mind, about energy, light, healing, and about life itself. Nothing has helped Joey accomplish this more than dowsing combined with the blessing process.

Joey learned to dowse in 1986 and has been a passionate dowser ever since. By 1997, he was teaching dowsing, combined with the blessing process, as well as offering on-site and remote space clearing services as his full-time profession, traveling extensively for many years. He has done keynote addresses at many dowsing conferences in the US, Canada, & England.

Joey no longer travels to teach, as conducting his Remote Personal and Space Clearing Services over the phone is his full-time work.

He now teaches through Zoom-type sessions and in retreats that he and his wife, Jill, conduct in their home near Augusta, Georgia.

Joey also shares his understandings in the revised edition of his book, *Dowsing: A Path to Enlightenment*, his videos, and through his Web site: www.dowers.com.

Joey can be reached at Joey@dowers.com and 1-706-733-0204.

Host: Robert Callan, ASD Midwest Regional Coordinator

Environmental Energy Dowsing harmonizes, blocks and transforms disruptive earth energies in building structures and land areas, creating a higher energy frequency environment in those locations. Environmental energy dowsing identifies Positive and Negative Vortexes and through the application of cures, can block or convert Negative Vortexes into Positive Vortexes. Environmental dowsing also identifies Geopathic Stress Lines, Interference Lines, Hartman and Curry Lines and can neutralize or eliminate their disruptive effects. Environmental Dowsing helps raise the energy frequency in building structures and land areas promoting greater health and well-being in people's lives.

Space Clearing involves purifying and eliminating entities, energies and forcefields created by thought forms and emotional energy from land areas or building structures. Space clearing also involves helping beings from the earth or those who may have transmigrated to the earth from other dimensions and have become trapped in the earth plane. Space clearing helps assist these beings return to a realm best suited for their continued advancement. This includes carnate and discarnate entities associated with people who have made the change called death who may not have made their transition to higher realms of Light. However, the focus of this virtual chapter will not involve Spiritualism or efforts to engage in ongoing communication with any beings from other dimensions or people who have died.

ASD invites Environmental Energy Dowers and Space Clearers interested in participating in this Focus Group to email Robert Callan at robert@dowsingdesign.com and provide him with a brief summary of your experience in Environmental Energy Dowers and/or Space Clearing. Please include your full name, address and phone number. All interested parties will be notified of your acceptance as a member of this new focus group. If you have questions about this focus group please email or call Robert at 612/868-2887.
