Starlight Journeys Extraordinary Awakenings

Location: Shasta County Library, Community Rm.,

1100 PARKVIEW AVE., REDDING, CA 96001

Donations: \$10 or more is greatly appreciated

Feel free to bring snacks & refreshments

Come join us for a special journey beyond time as we are diving into the mysteries and sacred energies of ancient Egypt. Allow yourself to travel to a land and culture far away, as Odile presents her photos (slides) and shares her multidimensional experiences in these temples, pyramids and the sphinx. Especially when she was gifted the great pyramid of Giza all to herself on Spring Equinox of 2022.

Feel and see how the energy in the room will shift, as each one is accessing, to their own capacities, these codes and energies embedded in these places, as you are being taken for a private visit to the kings chamber of the great Pyramid, between the paws of the sphinx and see the inflowing light in holy temple rooms. It will activate and bring forth distant memories. We will look into some of their ancient initiations techniques and the tasks we have today, to bring what we once experienced in that long ago past, forward, to seed and shape our future of the new earth.

We will end our journey with a guided meditation with crystalline melodies of singing bowls, a Starlight Journey as Odile calls it, to one of the sacred temples in Egypt. You will Travel great distance from that chair you are sitting on, as we weave in and out of time, to our past incarnation(s) when we walked the lands of the pharaohs, to receive gifts of understanding, healing and blessings for our life journey today.

Dowser, Spiritual Teacher and Channel

Amy Jo Ellis

“Energy Interference from Absorbed Siblings”

Do you know someone who is a drama queen? Who can't make up their mind? Who feels left out and/or gets their feelings hurt easily? Someone who switches emotions at the drop of a hat? If so, they might have an absorbed sibling.

Those who have an unrecognized sibling often have the spirit of their sibling locked inside their energy field.

Please join us as Amy Jo shares how to recognize the presence of absorbed siblings and how to release them.

Amy Jo started out as a singer-songwriter performing for spiritual living centers and teachers like, Mary Manin Morrissey, Bob Doyle, Neale Donald Walsh, and one time even for the Dalai Llama.

Now, the tables have turned and Amy Jo herself is a spiritual teacher and channel who is quickly gaining notoriety for bringing through a process called the Court of Atonement. This simple spiritual idea helps to resolve conflicts at the Soul level.

With the single share of her \$5 booklet on Facebook, Amy Jo has now sold thousands of e-books to people in over 140 countries.

Environmental Energy Dowsing harmonizes, blocks and transforms disruptive earth energies in building structures and land areas, creating a higher energy frequency environment in those locations. Environmental energy dowsing identifies Positive and Negative Vortexes and through the application of cures, can block or convert Negative

Vortexes into Positive Vortexes. Environmental dowsing also identifies Geopathic Stress Lines, Interference Lines, Hartman and Curry Lines and can neutralize or eliminate their disruptive effects. Environmental Dowsing helps raise the energy frequency in building structures and land areas promoting greater health and well-being in people's lives.

Space Clearing involves purifying and eliminating entities, energies and forcefields created by thought forms and emotional energy from land areas or building structures. Space clearing also involves helping beings from the earth or those who may have transmigrated to the earth from other dimensions and have become trapped in the earth plane. Space clearing helps assist these beings return to a realm best suited for their continued advancement. This includes carnate and discarnate entities associated with people who have made the change called death who may not have made their transition to higher realms of Light. However, the focus of this virtual chapter will not involve Spiritualism or efforts to engage in ongoing communication with any beings from other dimensions or people who have died.

ASD invites Environmental Energy Dowsers and Space Clearers interested in participating in this Focus Group to email Robert Callan at robert@dowsingdesign.com and provide him with a brief summary of your experience in Environmental Energy Dowsers and/or Space Clearing. Please include your full name, address and phone number. All interested parties will be notified of your acceptance as a member of this new focus group. If you have questions about this focus group please email or call Robert at 612/868-2887.
