Workshop Leader, Tour Guide, and Earth Energy Researcher

Gary R. Plapp

"Dowsing The Life Force"

Chart Dowsing the Life Force or Bovis Value of anything or place can reveal much hidden information. It is a Life Force Index named after a French physicist and dowser Antoine Bovis, created in the 1930's while doing scale research among the Great Pyramids of Egypt. He used this chart to determine relative levels of beneficial energy or Chi. His limit was 18K – it has greatly expanded since then. Used for evaluating everything from herbs and vitamins, to healing techniques and ancient pyramids. It's a scale that should be in every dowser's toolbox. Charts will be available for download and exercises conducted to demonstrate use and applications.

Bio – Gary was introduced to dowsing at age 14 and began professional dowsing with mentor Bill Cox in 1971. He is also a proficient dowsing instructor, speaker, writer, inventor, workshop leader, tour guide, and earth energy researcher. In 1985 Gary expanded his work as a multi-sensory channel and reader. He conducts water/mineral dowsing and earth energy – environmental corrections for homes and businesses. Gary also conducts archaeological dowsing at sacred sites around the world including Africa, Europe, Latin America and the US. Gary has been an aerospace-research electrical engineer and scientist for 40 years, most recently at NASA – Ames Research Center. He is the founder and president of the Los Lunas 'Willow Benders' Dowsing Chapter of New Mexico.

Dowser, Spiritual Teacher, and Channel

Amy Jo Ellis

“Taking Our Power BACK!”

Amy Jo will show us how we have at times believed something that was said. "i.e. You will never amount to much." Or we have allowed other people's behaviors toward us to cause us to believe we were not good enough. In this class she will show us how to dowse and find "Who we have believed, and how to use the Court of Atonement to remove the belief!"

There will be dowsing exercises to help us understand if we have given our Power away and how to Take it Back!

Bio – Amy Jo Ellis

Amy Jo started out as a singer-songwriter performing for spiritual living centers and teachers like Neale Donald Walsh and Bob Doyle, and one time even for the Dahli Lama.

Now, the tables have turned, and Amy Jo herself is a spiritual teacher and channel who is quickly gaining popularity for introducing a process called the Court of Atonement. This simple spiritual idea helps to resolve conflicts at the Soul level.

With a single share of her \$5 booklet on Facebook, Amy Jo has now sold thousands of e-books to people in over 140 countries.

American Society of Dowsters

64th Annual ASD CONVENTION
June 14 – 16, 2024
Marlborough, MA

KEYNOTE SPEAKER - DR. KAREN KAN

The **American Society of Dowsters** is proud to announce Dr. Karen Kan as our Keynote Speaker for the 2024 convention.

Karen Kan is the founder of the Academy of Spiritual Medicine and the TOLPAKAN™ Healing Method. As a mentor, healer, and trainer, she helps Light Warriors (“sensitive souls”) harness their superpowers, express their soul’s mission, and experience more peace and joy.

Karen bridges the gap between science and spirituality. She began her career as a medical doctor (cardiology specialist), and spent 11 years treating more than 2,500 patients (and delivering over 80 babies). As a holistic doctor and Light Healer, she has completed over 4,300 healing sessions.

Karen has uncovered the common blocks and obstacles preventing sensitive souls from being healthy and vibrant, including interference from low vibrational entities.

Having healed herself from fibromyalgia and chronic fatigue syndrome, Karen employs a healing method that safely removes all types of negative energies (including entities), “downloads” positive beneficial energies, and teaches the ability to connect to source and get divine answers.

Karen Kan is author of the best-selling author of *Guide to Healing Chronic Pain: A Holistic Approach*, and *Sensitivity Is Your Superpower: How to Harness Your Gifts, Fulfill Your Purpose, and Create a Life of Joy*. Her website is karenkan.com

Environmental Energy Dowsing harmonizes, blocks and transforms disruptive earth energies in building structures and land areas, creating a higher energy frequency environment in those locations. Environmental energy dowsing identifies Positive and Negative Vortexes and through the application of cures, can block or convert Negative

Vortexes into Positive Vortexes. Environmental dowsing also identifies Geopathic Stress Lines, Interference Lines, Hartman and Curry Lines and can neutralize or eliminate their disruptive effects. Environmental Dowsing helps raise the energy frequency in building structures and land areas promoting greater health and well-being in people's lives.

Space Clearing involves purifying and eliminating entities, energies and forcefields created by thought forms and emotional energy from land areas or building structures. Space clearing also involves helping beings from the earth or those who may have transmigrated to the earth from other dimensions and have become trapped in the earth

plane. Space clearing helps assist these beings return to a realm best suited for their continued advancement. This includes carnate and discarnate entities associated with people who have made the change called death who may not have made their transition to higher realms of Light. However, the focus of this virtual chapter will not involve Spiritualism or efforts to engage in ongoing communication with any beings from other dimensions or people who have died.

ASD invites Environmental Energy Dowzers and Space Clearers interested in participating in this Focus Group to email Robert Callan at robert@dowsingdesign.com and provide him with a brief summary of your experience in Environmental Energy Dowzers and/or Space Clearing. Please include your full name, address and phone number. All interested parties will be notified of your acceptance as a member of this new focus group. If you have questions about this focus group please email or call Robert at 612/868-2887.
