**" Using Dowsing to Balance Hormones"**

All energy healing and holistic wellness has one common goal, to bring balance and homeostasis to the body. We know that our energy and electrical body is the first place that imbalances begin and then manifest into the physical body. Some of these imbalances can be ancestral or family patterns. How ever these imbalances show up, correcting them can greatly reduce symptoms and relieve all sorts of issues.

Hormones run everything in the physical body. Figuring out and balancing hormones can bring amazing energy shifts.

In this presentation Jackie will share the dowsing technique she uses to correct hormonal imbalances within herself and her clients.

Bio – Jackie Rioux retired from an exhausting corporate job in June 2016 and now lives her passion through empowering others to find their own life purpose by overcoming trauma and letting go of the past. She combines this with her interest in human nature and psychology to provide a flexible and client-focused approach in her work.

**Environmental Energy Dowzing** harmonizes, blocks and transforms disruptive earth energies in building structures and land areas, creating a higher energy frequency environment in those locations. Environmental energy dowzing identifies Positive and Negative Vortexes and through the application of cures, can block or convert Negative

Vortexes into Positive Vortexes. Environmental dowzing also identifies Geopathic Stress Lines, Interference Lines, Hartman and Curry Lines and can neutralize or eliminate their disruptive effects. Environmental Dowzing helps raise the energy frequency in building structures and land areas promoting greater health and well-being in people's lives.

**Space Clearing** involves purifying and eliminating entities, energies and forcefields created by thought forms and emotional energy from land areas or building structures. Space clearing also involves helping beings from the earth or those who may have transmigrated to the earth from other dimensions and have become trapped in the earth plane. Space clearing helps assist these beings return to a realm best suited for their continued advancement. This includes carnate and discarnate entities associated with people who have made the change called death who may not have made their transition to higher realms of Light. However, the focus of this virtual chapter will not involve Spiritualism or efforts to engage in ongoing communication with any beings from other dimensions or people who have died.

ASD invites Environmental Energy Dowsters and Space Clearers interested in participating in this Focus Group to email Robert Callan at [robert@dowsingdesign.com](mailto:robert@dowsingdesign.com) and provide him with a brief summary of your experience in Environmental Energy Dowsters and/or Space Clearing. Please include your full name, address and phone number. All interested parties will be notified of your acceptance as a member of this new focus group. If you have questions about this focus group please email or call Robert at 612/868-2887.

ASD has released a few of Roxanne Lewis' many seminars and workshops on YouTube, and so has the National Guild of Hypnotists.
