Be sure to **open and close** each dowsing session so that any interferences in your life may be blocked. Do not skip that step. Ask to protect and clear yourself so no harm may come to you or your family. Ask to cloak yourself from any unwanted energies, and call the angels into your field for protection. Ask to heal /reconnect then go into a dowsing state and project the following intention. Ask your pendulum to swing and stop swinging when the work is done.
